To Students and Parent/Guardian:

We, at North Miami Beach Senior High School, want to encourage our students to take challenging courses that will benefit them academically. However students and parents must understand that changing classes after the school year has begun results in undue hardship to the school's schedule, teachers, and students. It is important, therefore that your child commit to remaining in all of the courses that he/she has selected for the school year. In addition, due to scheduling conflicts, your first choice elective may not be available as a scheduling option. Please choose your alternates carefully.
