

MIAMI DADE COUNTY PUBLIC SCHOOLS

K-12 Voluntary Student Accident Insurance Coverage

ELIGIBILITY:

All registered students grades PreK-12 of a participating school/district.

COVERAGE OPTIONS

24-HOUR COVERAGE: Provides coverage for injuries incurred 24-Hours a day, 365 days a year, at home, at school and while participating in interscholastic athletics (except injuries incurred while participating in High School Football events/activities). Because the Policyholder requires coverage for students/athletes under an At School including Interscholastic Athletic program, benefits will be payable under that program before being considered under a 24-Hour Voluntary program.

AT SCHOOL COVERAGE: Insurance coverage is provided: (a) on school premises during the hours and days when school is in session, (b) on school premises when school is not in session if participating in or attending any school sponsored event or activity; and (c) while attending or participating in school sponsored and supervised activities off school premises (i.e. day field trips). Coverage is provided while traveling to, during or after such activities as a member of a group in transportation furnished or arranged by the Policyholder and traveling directly to or from the Insured's home premises and school premises when school is in session. No coverage is provided for participation in High School Interscholastic Athletics/High School Football. Because the Policyholder requires coverage for students/athletes under an At School including Interscholastic Athletic program, benefits will be payable under that program before being considered under an At School Voluntary program.

COVERAGE PERIOD – Coverage under the At School and 24-Hour programs begins on the date of premium receipt but not before the start of the school year activities. At School Coverage ends at the close of the regular nine-month school term, except for events sponsored and supervised by the school during the summer. 24-Hour Coverage ends when school reopens for the following fall term. Coverage is available under both plans throughout the school year at the premiums quoted (no pro rata premiums available).
